

APERINIETS

APERITIVO ORIGINALE

INGREDIENTS

Aperiniets Original is expertly crafted with a natural infusion of hand-selected herbs and citrus, blended with pure water and the perfect touch of natural sweetness.

TASTING NOTES

Nose : Bright and aromatic with zesty orange and fresh citrus notes, underpinned by subtle herbal nuances.

Mouth: The bittersweet character of bitter orange is beautifully complemented by gentian, which imparts a well-balanced bitterness. With 30% less sugar than a traditional spritz, it delivers a lightly sweet yet refreshingly complex profile, perfect for a sophisticated palate.

Final: A pleasantly lingering finish balances the gentle bitterness of gentian with a touch of sweetness, creating a harmonious and satisfying experience that delights with every sip.
