

CHANTE BISE

CÔTES-DU-RHÔNE VILLAGES SUZE-LA-ROUSSE

The black grenaches, from the Giulia plot, iconic terroir of the Domain, located at the northern part of Plan de Dieu, bring balance and nuances to this unique cuvée. Vinified without any input, sulfites, filtration nor fining agent, this Côtes-du-Rhône Villages Suze-la-Rousse reflects the true personality of those forty years old vines.

TERROIR & KNOW-HOW

SOIL – Draining soil mainly composed by tiny rounded pebbles and sandstones

CLIMATE – Sunny and fresher than the larger part of the southern Côtes-du-Rhône

GRAPES – Grenache noir, Syrah & Mourvèdre

VINIFICATION – Grenache and mourvèdre have been late harvested for a better ripeness. The fermentation was done using indigenous yeasts.

RAISING – Raised for 12 to 16 months within little concrete vats and 5 to 10 years old's muids. Vinified without filtration nor fining agent

CELLARING POTENTIAL – 10 years

TASTING NOTES

COLOUR – Deep dark rubis colour

NOSE – Lovely red fruit and blackcurrant overtones, with a hint of mint

PALATE – Fleshy mouth with black cherry notes and a touch of spice, all in a beautiful silky finish

FOOD & WINE PAIRING – On a beef tartare with caramelized oven vegetables, simply seasoned with a drizzle of olive oil and Provence herbs

A UNIQUE TERROIR, AMID LAVENDER FIELDS AND TRUFFLE OAK TREES

The Suze-la-Rousse vineyard, located in *Drôme Provençale*, takes advantage of a dry and hot Mediterranean climate, heavily influenced by the Mistral wind, and three different but complementary soils. This is this perfect alchemy which allows this terroir to offer elegant and seducing cuvées but also more colored and opulent kind of wines.

A FEW FIGURES

PRODUCTION AREA - 181 ha

COLOURS - 100 % red wine

AVERAGE YIELDS- 28 hl/ha (*less than traditional côtes-du-rhône which are above 35 hl/ha*)
