

# LANGLOIS BRUT ROSÉ

## An ode to the freshness

Behind its luminous color, the Brut Rosé reveals a radiant personality, driven by the freshness of the fruit.

-  A pale pink color with subtle copper highlights.
-  Delicious hints of vine peach, with an aerial elegance.
-  Fresh, full-bodied and fruity on the palate, with a long finish.

### Technical characteristics

- Hand-harvested with low-height crates (40cm) to keep the berries intact all the way to the press and avoid self-pressing. They also ensure gentle transfer.

### Our requirements beyond the appellation

- Light pressing in pneumatic presses few hours after the harvest to keep the best of the first juices.
- Separated vinification between « Cuvées » and « Tailles » to ensure the perfect needs of each juice.
- Aged for a minimum of 24 months on lees, compared with 12 months for the appellation Crémant and 15 months for Champagne
- Dosage Brut 12g/L

### The Langlois Style

- Grapes harvested at perfect maturity to explore the full complexity of the Cabernet Franc's aromas while keeping its freshness.
- Longer ageing on lees to refine the aromatic profile of the cuvée.

### Blend

- 78% Cabernet Franc
- 12% Pinot Noir

**Ageing potential :** From 3 to 5 years.

**Served between 8 and 10°C,** this cuvée is a breath of freshness for the aperitif or on the table. Its fine, refreshing sparkliness and incomparable fruitiness are particularly well matching with salmon ceviche with raspberries as a starter, or strawberry tiramisu for dessert.
