

Everleaf Forest

COMPLEX & BITTERSWEET

16 sustainably sourced botanical distillates and extracts, inspired by the earthy, bittersweet flavors of the forest

Tasting note

Appearance: A rich amber-gold from saffron

Nose: Heady vetiver and orange blossom initially, with notes of earthy orris root and warm vanilla

Taste: Bold and vibrant, with layers of citrus, bark spices, bittersweet roots and savoury saffron

Finish: Long and complex, with Everleaf's signature mouthfeel holding on to the myriad flavours, lengthened with moreish bitter gentian root.

Perfect serve: 50ml FOREST | 150ml light tonic | Ice, garnish with orange
