

APEX

WHISKY SERIES

The M&H Apex is a culmination of years of work and research that exemplifies our spirit of innovation and creativity.

Driven by boldness and an aspiration to reach new heights, we composed our apex - an exclusive opportunity of limited editions.

A bottle of M&H Apex is an exploration of places and matters: our Head Distiller, Tomer Goren, specifically selects exceptional casks for each batch.

COGNAC CASK

SMALL BATCH

This single malt whisky offers wondrous flavors, derived from amazing 400 Liter, French Limousine oak casks from a family owned Cognac House, previously used to mature superb quality Kosher Cognac.

700 ML 59.4% ALC/VOL

NON CHILL FILTERED NATURAL COLOR
