

APEX

WHISKY SERIES

The M&H Apex is a culmination of years of work and research that exemplifies our spirit of innovation and creativity.

Driven by boldness and an aspiration to reach new heights, we composed our apex - an exclusive opportunity of limited editions.

A bottle of M&H Apex is an exploration of places and matters: our Head Distiller, Tomer Goren, specifically selects exceptional casks for each batch.

POMEGRANATE WINE CASK

SMALL BATCH

This is the first and only single malt whisky in the world, aged in a rare variety of pomegranate wine casks. The pomegranate fruit is an integral part of our culture, enriching our local cuisine.
