This Belgian single grain whisky is bottled at 50% ABV. The whisky was aged in first fill Bourbon barrels, and was finished in an Oloroso Sherry butt. We filled the Oloroso Sherry butt with 3 single grain barrels and 1 single malt barrel. Our exclusive mix of rye and malted barley ensures a spicy character. The Oloroso Sherry cask finish adds a rich complexity and fruitiness to the smooth vanilla notes that derive from maturation in bourbon casks.
