

LAUNCHING SOON

INDRI
SINGLE MALT
INDIAN WHISKY

— AGNEYĀ —

Agneya, derived from the Sanskrit word meaning "belonging to fire", is a lightly peated single malt whisky matured in Sherry and Bourbon casks, where depth and complexity unfold to embody the very essence of fire and wood.

It is one of India's most refined and elegant whiskies, balancing its complexity with notes of nuttiness and ripe fruit, followed by a gentle smokiness on the palate.

— UNEARTHING INDRI'S ESSENCE —

Situated in the catchment area of the river Yamuna, Indri is not just the name of a quaint village, nestled amidst the Himalayan foothills but also the home of our distillery.

This lush green landscape forms an integral part of India's agricultural heartland. Our fields and the warehouse where our malt matures embrace the majestic Indian peacock as it wanders freely, a symbol of nature's unfettered grace.

— TASTING NOTES —

NOSE

Delicate hints of chocolate intertwined with subtle vanilla sweetness, a touch of spice, dried apple and apricot. Notes of fruit jam and peat dust with earthy undertones.

PALATE

Tropical fruits like mango, ripe banana, rich toffee, light spice followed by a warm embrace of dried peat smoke. Melon adds a refreshing twist, while a sweet, fruity essence lingers with a soft, rounded smokiness.

FINISH

A blend of sweet and salty nuances, culminating in a smooth, smoky finish. Balanced layers of fruit sweetness and soft spice leave a lasting impression and a long finish.

46% Vol. | 70 cl e | 92° Proof
