DIWALI COLLECTOR'S EDITION 2026

RUBY PORT CASK

The Diwali Collector's Edition 2026 celebrates India's vibrant spirit through an artfully crafted whisky experience. The intricate artwork is inspired by India's royal heritage and traditional miniature paintings. Brought to life through a rich palette of jewel tones, delicate florals and bold contrasts, the design captures the celebratory spirit of Diwali, symbolising light, culture and joy.

Crafted in small batch, this rare expression is matured in hand-selected Ruby Port wine casks, sourced from Portugal, renowned for their rich, characterful sweet wines. It is a confluence of Indian soul and vinous elegance.

Distilled from Indian six-row barley in traditional copper pot stills, the whisky is matured in the subtropical climate of northern India, allowing it to develop a rich and distinctive profile.

The result is a symphony of flavors-luscious aromas of black cherries, wild berries and ripe plums give way to a silken palate of honeyed fruits and roasted nuts, enriched by hints of toffee, vanilla and figs, culminating in a long, fruity finish that makes every sip an invitation for the next.
