BE BOLD,

AND YOUR DREAM MIGHT COME TRUE

Dear Partners,

We are thrilled to announce that our **Elements Sherry cask** single malt whisky is **The World's Best Single Malt Whisky**, by the 2023 World Whiskies Awards.

We are incredibly proud of this achievement, and we are grateful that you are a part of our journey.

Thank you!

THE BEST SINGLE MALT WHISKY IN THE WORLD

When we first set out to create M&H Distillery, our dream was to make the best single-malt whisky. We knew that it would be a long and challenging journey, but we were determined to make it happen.

Over the years, we have worked tirelessly to perfect our craft, experimenting with different techniques, and using only the best ingredients to create our whiskies. We have faced many challenges along the way, but our passion and dedication to our craft have never wavered.

Winning the title of "World's Best Single Malt" is a dream come true for us, and it is a testament to our team's hard work and dedication. We are proud to have put Israeli whisky on the world stage and to have shown that great whisky can come from anywhere.

The **Elements Sherry Cask** perfectly exemplifies the distillery's commitment to excellence. It is made using the finest sherry and ex-bourbon casks and is crafted with great care and attention to detail.

The Oloroso, and Pedro Ximenez sherry were made especially for us. The casks, once filled with quality sherry and seasoned for one year in Spain, were brought to the distillery to mature our New-Make spirit for a wonderful complex whisky. The M&H Elements Sherry is the first and only single malt whisky in the world, aged in kosher Sherry casks. This single malt reveals robust flavors of red fruit, dark chocolate, and oaky notes.

We are committed to continuing to produce exceptional whiskies that push the boundaries of what is possible, and we look forward to sharing our future releases with you.

Cheers to the future of bold whisky!

BOLD IDEAS.

BOLD WHISKY.
