WHISKY DISTILLERY

ELEMENTS

RED WINE CASK

SINGLE MALT WHISKY

Ex-red wine casks that were sourced from Israel's finest wineries were picked for this part of the Elements trilogy. The Mediterranean's climate, variety of soil types, hot sunny days and cool nights bring a spicy and unique flavor to Israeli wine – and in turn, our casks. The wine casks used in the Elements Red Wine are a celebration of local terroir, curating a floral single malt with notes of raisins.

700 ML

NON CHILL FILTERED

46% ALC/VOL

NATURAL COLOR

KOSHER

AROMA

Red dried fruits, ginger, oak, and delicate coconut bouquet lead a gentle mineral perfume.

PALATE

Light bodied. Wine flavors coat the mouth, accompanied by subtle oak and vanilla notes, followed by gentle floral blossoms.

FINISH

Medium. The dried fruits and wine linger, finishing with a touch of dark raisins.

ELEMENTS SERIES

The M&H Elements series is a composition of flavors and aromas assembled from meticulously selected casks.

Sherry, red wine and Islay casks bring forward different characters for each expression in this series, vatted with bourbon and STR casks and culminating in beautiful natural colors, impressive flavors and a course of well-balanced single malts.

The M&H Elements manifest the artistry of traditional distillation methods with rapid but graceful hot climate maturation.
