

ELEMENTS SERIES

The M&H Elements series is a composition of flavors and aromas assembled from meticulously selected casks.

Sherry, red wine and Islay casks bring forward different characters for each expression in this series, vatted with bourbon and STR casks and culminating in beautiful natural colors, impressive flavors and a course of well-balanced single malts.

The M&H Elements manifest the artistry of traditional distillation methods with rapid but graceful hot climate maturation.

LIMITED EDITION

ELEMENTS POMEGRANATE WINE CASK SINGLE MALT WHISKY

For generations, pomegranates have been a significant part of our culture; in tradition, literature, cuisine and art, it became a true symbol, present in our everyday lives. It is no wonder that it is also one of our signature cask types - the pomegranate wine casks.

From these unique casks, just in time for the High Holidays - in which the pomegranate is a staple of the ceremonies - we have created the Elements Pomegranate Wine Casks limited edition. Fragrant and deep, with evident and delicious notes of the pomegranate fruit, the Elements Pomegranate Wine Cask is our invitation to you, to join us at our holiday table for a celebration.
