

Characteristics

Dry Gin 42 % vol.
Without sugar

Production process

Gin XII is distilled from 12 botanicals, selected to both complete and best reveal the aromas of juniper berries : coriander, almond, thyme, angelica, grains of paradise, iris, cardamom, basil, rosemary, eucalyptus and mint. Its rich and authentic flavour expresses all the aromatic beauty found in Provence.

Colourless, brilliant.

Typical juniper berry nose with very subtle fresh, minty and floral notes.

Straight forward and bright juniper berry attack evolving towards very aromatic, floral, spicy notes with a subtle and long lasting finish.
