

TRUE EMOTIONS

Cuba is a place where people don't hold back, where people express their true emotions. Black Tears wants to tell the world the whole truth and nothing but the Cuban truth. Down to the seductive spices, the emotional blend and the passionate craftsmanship. Black Tears Dry Spiced is packed with emotions to celebrate the Cuba of today.

The story of Black Tears is rooted in Cuban music, specifically a bolero-song about love and loss called Lagrimas Negras, which means Black Tears. It has been one of Cuba's most famous songs for many Cuban generations.
