CLÉMENT VSOP RHUM AGRICOLE

Rhum Agricole Vieux VSOP 40% abv. | Clément Prestige Range

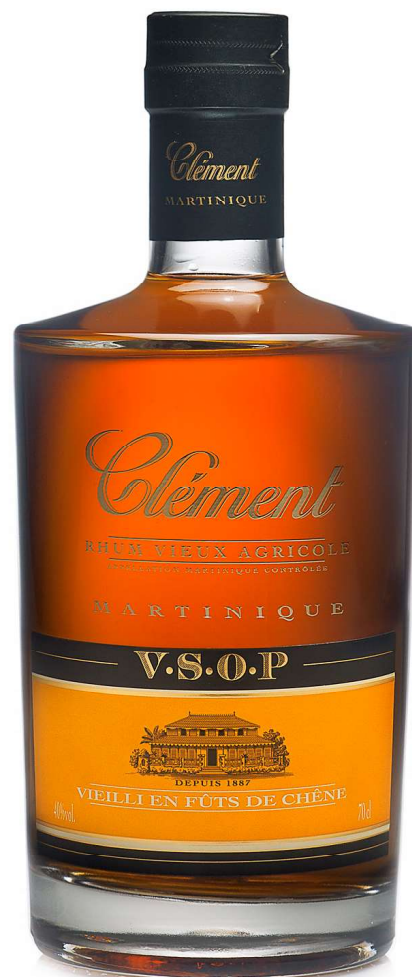

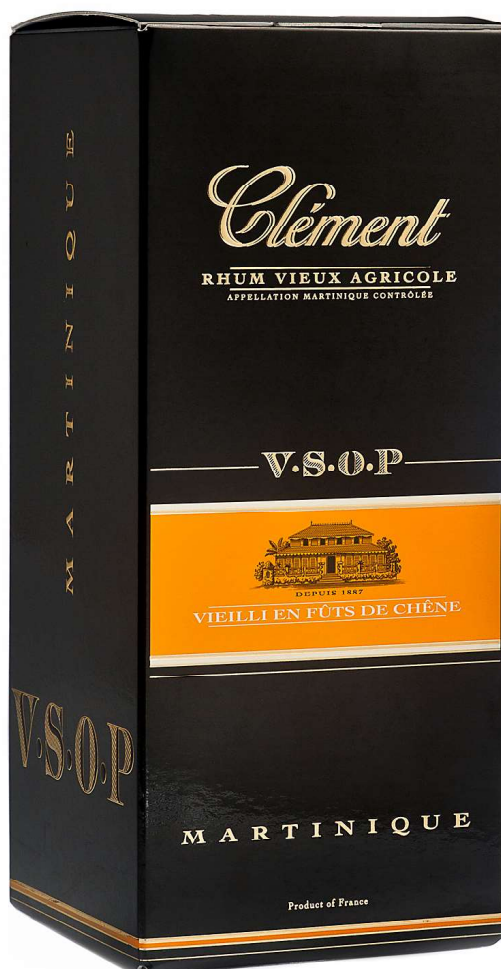

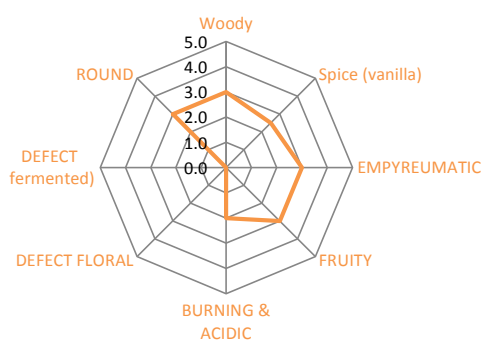

Since 1887, the production of Clément rums has been carried out according to the purest traditions and most time-honoured methods inherited from Homère and Charles Clément.

Clément VSOP rum is aged a minimum of four years in oak casks. The rum has matured elegantly and draws its great complexity from the alternative use of virgin oak and Bourbon barrels.
