

Rhum J.M

MARTINIQUE

ORGANIC

Juste Macouba

LIMITED EDITION

This organic vintage white rum from the 2022 harvest honors simplicity and love for the terroir by focusing Just on the essentials, Juste Macouba.

The sugarcane juice from our Canne Bleue harvest was fermented for 24 hours before being distilled in a Creole column still, following the J.M. tradition. The resulting crystalline rum was then patiently reduced over 9 months with spring water from Mount Pelée to reach its perfect tasting degree .

NOSE : Very expressive with notes of freshly cut sugarcane and lime zest. When swirled, its full floral intensity is revealed, enhanced by lovely aniseed notes. This first Rhum J.M organic release is the very essence of the terroir of our Fond Préville Distillery.

PALATE: Powerful with the same rich and fresh notes perceived on the nose. Furthermore, its roundness and volume are accentuated by light white pepper notes, characteristic of the Northern Atlantic terroir of Martinique.

FINISH : Persistent on citrus and pepper notes.
