

Rhum J.M

VSOP (VERY SUPERIOR OLD PALE)

ORIGIN

Aged for 3 years in re-charred and charred Bourbon barrels then finished for one year in barrels of different capacities and temperatures.

PARTICULARITY

This rum falls under the 4-year-old category. It provides a transition from young rums to very old/vintage rums. Much more complex and structured than the VO, this rum enables customers to take their JA old rum tasting acumen to the next level.

NOSE

Exotic fruit notes are dominant in the initial impression (lychee, mango, flambeed banana). The aromatic palette reveals a hint of quince conserve, while enhancing the delicate aroma of vanilla bean and a mellow woody undertone.

PALATE

Exotic fruit recall the aromatic notes of this rum, which are heightened on the palate by sweet spices like vanilla and cinnamon. The sweetness of gingerbread and floral honey mingles with slightly smoky roasted and woody notes. The texture is structure and even, with a good balance between the different aromatic notes.

FINISH

The finish is structured and harmonious, with a nice balance between all the notes of the nose and palate.
