

PURA VIDA - PURO.
EL RON DE COSTA RICA.
ALC./VOL.

SPECIFICATIONS.
70 CL - 48%

CATEGORY.
Rum

ORIGIN.
Costa Rica.

ELABORATION.
PURA VIDA PURO is produced from pure Costa Rican sugar cane juice. It is fermented in 50 hectolitre vats before being distilled in a pot still.

AGEING.
Small batches finished in former Oloroso barrels.

KEY DIFFERENTIATING FACTORS.
The first pure juice Costa Rican rum.
Dry rum with a high alcohol content: 48%.
Exclusive cuvée produced in limited quantities.
The entire production process (harvesting the cane, extracting the juice, fermentation, distillation, ageing) is conducted on the estate in Costa Rica.
A case made from recycled bagasse with incomparable engravings.
A name bearing the motto of one of the most beautiful countries in the world.

PRODUCT SUBJECT TO ALLOCATION.
2024 - 1 800 bottles.

TASTING NOTES.

COLOUR.
Dark and rich with mahogany reflections.

NOSE.
Rich and powerful, revealing aromas of charred exotic woods entwined with succulent notes of dried fruit evoking raisins, figs and dates. The refined elegance of liquorice and the depth of dark chocolate combine to bring an additional dimension to this unprecedented olfactory experience.

PALATE.
Lively, racy and wild, with a density that coats the palate with an impressive persistence.
Flavours of walnut ink add a touch of freshness contrasting and balancing the heavier aromas of hydrocarbons.
These elements combine to deliver a remarkable harmony that turns every sip into an unforgettable sensory journey.
