

Calvados Lecompte: Our core range

AGE 18 ANS

Calvados LECOMPTE 18YO

Apple compote & Honey hints

The Cellar Master has managed to bring this Calvados to full maturity by a succession of alternating passages in new and red (old) barrels. He has brought his creation to this point of balance which characterizes so much each of our Calvados.

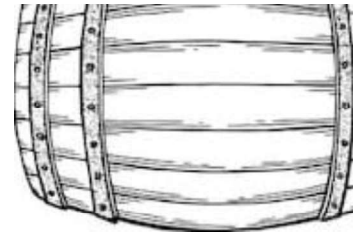

Tasting notes

Colour: Amber.

Nose: The fine apple pie with a hint of honey, supported by fine woody notes.

Palate: Round and delicate, described as "silky".

The melted nose with hints of honey finely supported by a light woodiness is balanced by the taste of Tatin apples, stewed and mellow with in the finish, all the finesse and concentration of apple.
