

Calvados Lecompte: Our core range

Calvados LECOMPTE « Originel » *The fruitiness of youth*

ORIGINEL by LECOMPTE can be enjoyed in many ways: dry or on ice, in cocktails, as a long drink with lemonade or indian-tonic, with a Norman cheese: Pont-L'Evêque or Livarot, as a recipe, to bring a touch of apple to your dishes.

The ultimate combination of the roundness of the apple and the fruity taste of a young Calvados.

With Originel, our cellar master opens the doors to the infinite possibilities of savouring all the richness of the apple.
