

TYPE

Distilled Gin

ALCOHOL

39,5% Vol.

PRODUCTION AND TASTING NOTE

A premium gin made with exotic botanicals and berries to give a touch of smoothness. Infused after four distillations to achieve an amazing purity and class.

Carefully crafted to bring you a unique softness, vibrant berry taste and a distinctively sweet finish

PERFECT SERVE

We recommend serving as a Gin & Tonic in a balloon glass, decorated with dried or fresh raspberries. Enjoy a striking and sophisticated drink with a sweet and bitter finish.
