

JODHPUR SPICY

ELABORATION PROCESS

TASTING NOTE

Distilled Gin 43%

THE FIRST SPICY GIN IN THE MARKET.

Produced in the same way as Jodhpur Gin, **Jodhpur Spicy** has a surprisingly warm, **spicy taste**, mainly due to its chili content.

JODHPUR SPICY

ELABORATION PROCESS

TASTING NOTE

Aroma

Hints of green and jalapeño peppers, with spices reminiscent of white pepper and chili and nuances of cumin and ginger.

Sensation on swallowing

Highly aromatic with generous balsamic touches, with spicy & warm sensation on the palate.

Flavour

Very intense and tangy, with a warm sensation in the mouth that is instantly perceived and prolonged over time.
