

Samalens

DEPUIS 1882

- ORIGIN -

Selected wines only from Bas-Armagnac.

- PERCENTAGE OF ALCOHOL -

40%

- DISTILLATION -

Traditional Armagnac method : continuous distillation.

- AGING -

In casks made of Gascony oak. The youngest Armagnac in the blend is 12 years old.

- Tasting notes -

Colour well ambered. Fruity nose, yellow fruits and fresh grapes. In the mouth, delicate flavours of honey and plum, and finally vanilla notes.

- CONCLUSION -

This Armagnac is a worthy representative of our house's know-how. Mastered aging produces fine complexity and woody long finish, but a fine nervosity keep its beautiful structure.
