TOBERMORY

THE HEBRIDEAN SERIES

This series of 5 expressions, celebrates and is inspired by the unique influences we experience at our remote distillery on the Hebridean Island of Mull located off the west coast of Scotland. The mild oceanic climate and diverse natural environment that surrounds us, play a significant role in our approach to whisky making.

On Mull, we celebrate *creativity*, and are *expressive* in *nature*. This is evident in the colourful houses of Tobermory framed by the rich and dramatic landscape. This passion for art in nature isn't just reflected in the harbour waters, but in the distinctive spirits we craft at our coastal distillery.

Everything we make is an expression of the *rich palate* that our Hebridean home provides and aims to showcase the evolution and natural character of our Tobermory Single Malt.

These jewel-like malts were aged for almost 15 years before being transferred into González Byass Oloroso Sherry Casks and have continued to mature year-on-year. Each years' expression is a showcase of the incredible influence of time, and our unique location within the Inner Hebrides.

Expressive by Nature

Expression 1
(2021 edition)

Hebridean Series 23YO

Inspired by Tobermory
harbour

Our island provides safe mooring in many secluded bays and coves but our home Tobermory offers perhaps the safest and best place to drop anchor. This has seen over the years plenty of visitors to our shores all of whom have brought something unique to our island. We welcome these people and their ideas not only onto our island but also in how we produce our whisky. This unique edition of this range certainly celebrates the Spanish influences.

Expression 2
(2022 edition)

Hebridean Series 24YO

Inspired by Mull's wild
coast

Our Island has some amazingly varied coastline, from rugged rocky coves to idyllic smooth sandy beaches with tropical coloured sea lapping them. These sea facing landscapes remind us of the variation and complexity in our whiskies and in one sip you can also find subtle hints of saltiness too.

Expression 3
(2023 edition)

Hebridean Series 25YO

Inspired by the crofts of
Mull

We have an affinity with this longstanding tradition of working with the land using handed down Crofting farm skills and ingenuity. Like crofters we use only natural materials and traditional processes to craft our unique whisky. Our time honoured distilling processes and cask finishing hone this special whisky into a true reflection of our land

NEW. Expression 4
(2024 edition)

Hebridean Series 26YO

Inspired by the iconic
white-tailed eagle

Expression 4 of our annual release takes inspiration from the majestic white-tailed eagles of Mull. These birds were once considered extinct in Britain from the early 1900's, but through a successful re-introduction programme on the neighbouring Isle of Rum in the 1970's, returned naturally to Mull which now boasts the highest nesting density of these birds in Britain.

Expression 5
(2025 edition)

Hebridean
Series 27YO

Originally our 'Tobermory 15 Year Old' release, this spirit has spent a further 11 years in Oloroso casks at our Hebridean distillery. The result is an exquisite sherried malt, with a perfect balance of spice and sweet with notes of vanilla, toffee and freshly baked pastries on the palate followed by a lingering woody finish with notes of chocolate covered hazelnuts.

Expressive by Nature

RELEASE 4 (2024)

TOBERMORY 26-YEAR-OLD OLOROSO CASK FINISH

- Expression 4 of our annual release takes inspiration from the majestic white-tailed eagles of Mull. These birds were once considered extinct in Britain from the early 1900's, but through a successful re-introduction programme on the neighbouring Isle of Rum in the 1970's, returned naturally to Mull which now boasts the highest nesting density of these birds in Britain.
- Press & Customer launch scheduled for 28th February 2024 with a 2-week exclusive sale through Berry Bros & Rudd prior to global market sale on 13th March.

TASTING NOTES

Nose: A burst of dark brown sugar fades to reveal fresh strawberries, vanilla fudge, candied ginger and dried sultanas.

Palate: A perfect balance of spicy and sweet; vanilla, toffee, walnuts and freshly baked cinnamon pastries intertwined with gentle oak and toasted malt.

Finish: Lingering woody finish with notes of chocolate covered hazelnuts.

Tobermory distillery x Gordon Buchanan

Tobermory Distillery is proud to partner with acclaimed wildlife photographer and Mull native, Gordon Buchanan.

From elephants in Kenya to wolves in remote Canada, Gordon has captured images of the most incredible wildlife on the planet. However, it was Mull which first inspired him and instilled his passion for both wildlife and photography.

Tobermory Hebridean Series 26YO features an image of the majestic white-tailed eagle, captured by Gordon. These birds were once considered extinct in Britain from the early 1900's, but through a successful re-introduction programme on the neighbouring Isle of Rum in the 1970's, returned naturally to Mull which now boasts the highest nesting density of these birds in Britain. A homage to these rare creatures, this rare and precious Single Malt has been re-introduced to the world since its previous guise as the Tobermory 15 year-old.
