INTRODUCING

Ledaig Triple Wood

Wine, Bourbon & Port Casks

The first release in partnership with Tobermory Distillery's Island Ambassador, renowned wild-life film-maker Gordon Buchanan.

A marriage of three sublime Ledaig single malts, symbolising the partnership between 3 parties: Tobermory distillery, Gordon Buchanan and the Mull and Iona Community Trust our charitable partner. Working together to support, protect and conserve our unique island home of Mull in the Scottish Hebrides.

This sumptuous dram is made up of three classic Ledaig single malts, each carefully matured in separate casks – one Wine, another Bourbon and a third Port, then expertly married together by our Master Blender, Julieann Fernandez.

The result is a distinctive smoky dram, swirling with notes of apple, vanilla, smoky oak and toffee, and a lingering whisper of maple syrup.

Expressive by Nature

Here on Mull, we celebrate *creativity* and are *expressive in nature*. This is evident in the colourful houses of Tobermory, framed by the rich and dramatic landscape of our beautiful island.

This passion for art in nature, isn't just reflected in the harbour waters, but in the distinctive spirits we craft here at our coastal distillery.

Everything we make is an expression of the *rich palate* that our Hebridean home provides
