

Loch Lomond has been creating award-winning single malt whiskies since 1814. With a style inspired by our stunning surroundings.

Loch Lomond 21 year old scotch whisky is crafted in the shadow of Ben Lomond, our Straight Neck Stills and more traditional Swan Neck Stills, before being aged in three types of American Oak casks.

21 YEAR OLD LOCH LOMOND

BALANCED SWEETNESS
AND
CINNAMON SPICE

Loch Lomond 21 Year Old Single Malt is a perfect representation of Loch Lomond's signature style. This complex whisky has a beautifully balanced flavour of sweet vanilla fudge and a touch of cinnamon spice with a whisp of smoke.

Created from only our remarkable Straight Neck Stills, three different spirits with varying levels of highland peat craft an expression of richness and depth. A non-chill filtered whisky, this expression is brought together by Michael Henry, our master blender, whose signature on each bottle is our personal assurance of quality.

THE HOUSE STYLE

Like the conductor of an orchestra, our Master Blender Michael Henry understands how to bring together flavours to create a dazzling dram. And, as any conductor or craftsmen, we have shaped our distilling style to be as identifiable as their own work. Through the distilling choices we make, our expressions always deliver fruit, sweet honey and soft smoke. It's a style that's served us well, shaped by our history and is identifiable in every sip of our whiskies.
