

WAYPOINT SERIES

In celebrating where we come from and our thoughtful flavour exploration, The Waypoint Series captures our sense of place which provides constant inspiration for our whisky making team.

From our distillery in the heart of Loch Lomond and the Trossachs National Park, we explore the places that surround us. This gives meaning to our whiskies and each of their individual characters. This Series celebrates exploration and the feeling that it evokes, with a range of exciting and diverse whiskies.

At Loch Lomond Whisky we are driven by a never-ending spirit of exploration – a constant quest to explore the possibilities of flavour and whisky creation. We respect but are not beholden to traditions. We navigate our own path.

Wild and soaring, the route from Inversnaid to Inverarnan runs along the north-east banks of Loch Lomond, showcasing the beautiful iconic landscapes, uncovering intriguing landmarks and the diverse wildlife of the Trossachs National Park. A journey of truly remarkable, serene beauty with breathtaking viewpoints, each milestone becomes more challenging, yet more rewarding, to those who make the endeavours.

With The Waypoint Series 31 Year Old we celebrate this adventurous trail and share its sense of wonder and wilderness.
