CAMPBELTOWN MALTS FESTIVAL 2025

Limited Edition

HEAVILY PEATED
RIBERA DEL DUERO FINISH

AGED **9** YEARS

Glen Scotia was born in a place like no other – the smallest whisky region on the west coast of Scotland that was to become the **Victorian Whisky Capital of the World**. Our whisky has a wonderful way of bringing people together, and that **unique community spirit** has ensured Glen Scotia prevailed where some thirty other local distilleries fell. Today, it stands proudly among the **last of the many**.

FESTIVAL BOTTLING 2025

Our annual limited edition Festival bottlings are intriguing, bold and appeal to those looking to be wonderfully surprised. This year's release is no exception: a charmingly unconventional dram fit for a celebration together.

— TASTING NOTES —

A distinctive maritime character is overlaid with peat smoke, giving a spirit truly representative of the Glen Scotia distillery character. The finish develops the once tropical notes into ripe red fruit, juicy blackberry and a whisper of liquorice, each layer adding depth to its complex character.
