

2021 „Vom Schiefer“

Riesling!

Riesling Niederhausen VDP.ORTSWEIN

The “Vom Schiefer” Riesling is a characteristic wine. Its entire grapes origin from the monopoly vineyard of “Niederhäuser Hermannsberg” and are handpicked from vines that are between 10 and 30 years old. The vineyard is located right next to our Gut Hermannsberg manor house. Even though it’s only a stone’s throw away from our “Kupfergrube”, an entirely independent world of Riesling emerges. The bouquet of “Vom Schiefer” offers multilayered aromas – scents of citruses, green apples, and a subtle hint of flint stone. On the palate, this wine develops an herbal spiciness. At the end, the wine has a balanced finish and a pleasantly long aftertaste. Incredibly clear and precise, our “Vom Schiefer” doesn’t only impress as an accompaniment to meals but also as a matured wine.

Due to the strong minerality and well-balanced acidity of the “Vom Schiefer”, the wine demands a rather delicately spiced meal. A cooked poularde with mixed vegetables accompanies the wine perfectly.

Origin: The soils in the southern oriented Hermannsberg are characterized by the Ice Age with a base of clay soil covered by loess. Melaphyre was brought to the vineyards during mining over 100 years ago. The vines growing on this soil make for a great wine with complex aromas. Wines with a great aging potential are growing in this unique vineyard.
