FOOD AND WINE PAIRING

Grilled beef with vegetables, stuffed tomatoes, shepherd's pie, hard cheeses that have been aged for six months.

HARVEST

Mid-September

VINIFICATION

Maceration in tank for 15 days at controlled temperature (25°C) to protect the aromas. Regular pump overs until mid-fermentation for gentle extraction.

AGEING POTENTIAL

Aged for 8 months in tank with oak staves, which gives the wine its fine structure and aromatic complexity.

TASTING NOTE

Equinoxe Zero is a red wine with no alcohol but plenty of character and some intense notes of spice, roasted coffee and candied fruit. Its body and length are impressive.

Beverage made from fermented and dealcoholised wines.
